What We Want to Tell:

Autospire is not just a transport provider — we are your long-term mobility partner, trusted by companies for over a decade. From managing employee transport on regular office days to organizing group travel for official tours or conferences — we cover it all with transparency, reliability, and care.

At Autospire, we believe transportation is more than just moving from point A to point B – it's about reliability, safety, and trust. Since our journey began, our goal has been clear: to provide dependable, quality-driven transport solutions that truly support the needs of our clients.

Every day, hundreds of passengers rely on our services for office commutes, corporate travel, family tours, and long-distance journeys. We take that responsibility seriously. That's why we've built a fleet of well-maintained vehicles, trained a team of professional drivers, and developed a system that ensures timely, efficient service with a personal touch.

As we continue to grow, our focus remains on customer satisfaction, continuous improvement, and bringing innovation into transport logistics. Thank you to all our clients and partners for placing your trust in Autospire. We are committed to delivering the service you deserve – now and always.

DEVELOPMENT TIMELINE

2017

Research and Planning

Autospire began operations with 7 owned vehicles and 25 third-party vehicles, focusing on daily rentals and corporate services for buying houses.

2019

Promotion and Activation

Fleet expanded to 17 owned and 47 third-party vehicles. Service portfolio grew to include corporate clients and group tour transportation.

2022

Monitoring and Evaluation

The company operated 23 owned and 93 third-party vehicles. Launched its own rental app “Quicar” to offer seamless online booking and service access.

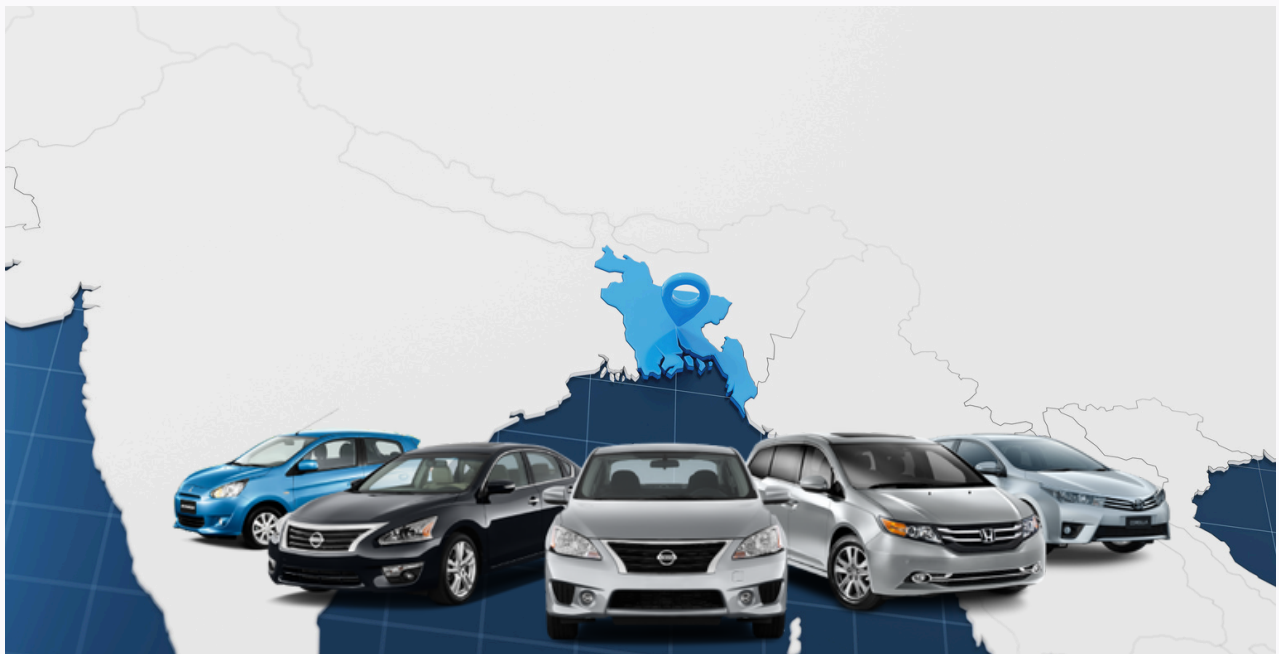

2025

Developing New Product

Autospire now operates 32 owned and over 170 third-party vehicles. Successfully partnered with several companies to provide daily employee transport, strengthening its position in the corporate mobility sector.

NEW MORE POSIBILITIES

Autospire sees immense potential in transforming transportation services across Bangladesh. As urbanization and corporate mobility needs grow, demand for reliable, safe, and comfortable transport will rise. Autospire aims to expand its smart fleet management, digital booking platforms, and eco-friendly vehicle options to meet this demand. By leveraging technology and customer-centric solutions, Autospire plans to lead in intercity travel, employee transport, and tourism services. With strong partnerships and scalable infrastructure, Autospire is well-positioned to revolutionize the transport ecosystem—ensuring efficiency, transparency, and service excellence for both individuals and businesses throughout Bangladesh’s rapidly evolving transportation landscape. The journey forward is full of possibilities.

TRAVELLER

In 2023, Bangladesh received 6.5 lakh (650,000) international visitors, the highest number since 2010. This number included 2.9 lakh visitors from India, with the rest coming from the UK, US, Canada, Australia, and Italy. While this represents a surge in international tourism, it's still lower than the number of visitors to neighboring countries.

CORPORATE SERVICE

While a precise number of companies using vehicle rentals for corporate services in Bangladesh is difficult to pinpoint, the car rental market is growing, indicating a significant number of companies utilizing this service. The market is projected to see substantial revenue growth and user increases in the coming years.

TARGET MARKET

Our target market includes corporate clients, tourists, event organizers, and daily commuters seeking reliable, comfortable, and professional transport services.

Tour Service (Local & Foreign Deligates)

We offer premium tour services tailored for local and foreign delegates, ensuring comfort, safety, and cultural insights across Bangladesh.

Corporate Services

Autospire provides reliable, professional corporate transport solutions for local and multinational companies, focusing on daily staff pick-and-drop, business travel, event transport, and long-term rental partnerships.

MARKET AFFIRMATION

Story About Market Affirmation

Autospire has earned strong market affirmation through consistent service quality, reliability, and professionalism. Trusted by leading local and multinational companies, we continue to grow through client referrals, long-term contracts, and an expanding vehicle fleet. Our reputation reflects our commitment to excellence in the highly competitive transportation service industry in Bangladesh.
